Tribute Wall

“ I had the honor and privilege to know Doug for close to five years. He always treated me with great kindness, respect, and a welcoming spirit. I enjoyed watching his face light up whenever Timmy, or any other member of his family, was around. I hope he and my father aren't making too much trouble up in Heaven, but from everything I know and have heard - I'm sure that is not the case. You are missed dearly by many, Papa Arnold. - Kirsten McAllister, future daughter-in-law
