

Dylan Lewandowski

May 24, 2022

During the early morning hours of May 24, 2022, the disease of addiction that had dulled Dylan's sparkle took his life. His family and friends will remember him for the high-spirited, handsome young man that he was, especially his smile that could light up a room. He had a love of life and enjoyed music and taking selfies. A goofy jokester, he nonetheless always had to have the last word like his Granddaddy. Dylan enjoyed spending time with his family and friends, his cats, and being a devoted uncle to his niece and nephew playing and providing exciting golf cart rides. He most recently worked alongside his father in lawncare & landscaping and took pride in doing the best job possible.

Dylan is survived by his parents, Lisa and Thomas Lewandowski; his sister and brother-in-law, Corrine and Jonathan Lanouette, Sr. and their children Jonathan Jr. and Brielle; his grandfather, Lawrence Lewandowski; godparents, Laurie Hess and Ray Milford; and several loved cousins, aunts, and uncles. He was predeceased by his grandparents, William and Betty Davidson and Edwina Lewandowski.

He will always live in our hearts! A Celebration of Life will be held at a future date. The family suggests donations in lieu of flowers to The Journey Church (Newark), atTack Addiction or Faithful Friends Animal Society. To send an online condolence, visit www.stranofeeley.com

“ My name is Courtney & Dylan became a amazing friend to me about 4/5 years ago. He was one of my biggest cheerleaders for me getting clean & on my journey of sobriety. No matter what he was dealing with , everyday he sent me motivational messages & always told me to keep it going one day at a time . He encouraged me entirely & because of someone like him in my support network I have 18 & 1/2 months clean . He always knew how to make me laugh & smile even on the days when I wasn't feeling myself & he always knew when something was wrong with someone. He made sure to cheer you up. I'm so thankful for him. He was beyond a great friend but just a great human being. I owe him so much appreciation for always being there & cheering me on. I will miss him so much & his ways of being goofy & his smile. I'll never forget his smile. I'm lucky I got to call him a friend & I forever will miss him
