“ Marge...I just read of Ed's passing... My thoughts and prayers are with you and your family...I am not sure if you remember us as it has been many years but we lived across the street from you and Ed...Samantha was a toddler when we moved....I have only happy and fond memories for the short time we lived there and I just hope it brings you comfort to know that you are being kept in the the prayers of both close and distant friends... peace be with you and yours.
