“ *Addio mia Nonna, addio mio amico  
Goodbye my Nonna, goodbye my friend  
In quei momenti che abbiamo condiviso ho visto nei tuoi occhi il  
fuoco del tuo amore  
In those moments we shared I saw the fire in your eyes of your love.  
Molte lezioni avete insegnato la nostra famiglia era che A tutti i costi  
il vostro bastone da parte della famiglia  
The many lessons you taught our family was that no matter what,  
stick by your family's side.  
Sussurro a te nel buio, mi sarebbe piaciuto avere tenuto la mano un  
po 'più a lungo, e che noi eravamo più vicini, ma ora il tuo passato  
I whisper to you in the dark, I wished I had held your hand a little  
longer & that we stayed closer, but?now your gone. ?  
Anche se non posso vederti lo so che sei lì a guardare su di noi  
Though I can't see you anymore I know you are there watching over  
us.  
Nonna, hai fatto la differenza nella vita di tutti coloro che si sapeva,  
mai un momento sprecato  
Nonna, you made a difference in the lives of all who knew you,  
never a moment wasted.  
Sempre l'insegnamento e crescere con la tua famiglia  
Always teaching and growing with your family.  
Prometto a voi come uno dei vostri che non importa quale, l'amore  
della nostra famiglia e la vicinanza che noi tutti condividiamo deve  
rimanere forte nella vostra memoria  
I promise to you as one of your own that no matter what,  
the love of our family and the closeness we all share shall stay  
strong in your memory...  
Perché tu sei un angelo ora veglia su tutti noi  
For you are an angel now watching over all of us.*
