“ To the family of "Liz" precious memories how they will linger, she not only cared about your hair but she cared about you. I am glad for the opportunity to have known such a wonderful woman. I spent countless hours in the shop conversations, tears, laughter, prayer and the word of God was never out of order. oh what a sweet fellowship never leaving without a smile and a hug, Because of her love for God she was able to love others. To those she left behind Liz leaves a legacy of integrity.

“ Liz, was a beautiful person I was sadden to hear that she had left us. But I was happy to know that she had no more pain and discomfort. I will always remember her kindness and her smile. I remember the times sitting in Juanita's Beauty Box sharing coffee, life stories and just friendship. I am forever grateful for the time shared with her I will continue to keep her family in my prayers truly you have lost a jewel.

“ To your family from our family we understand your loss. We want you to know that you are in our thoughts. Right now it is hard to comprehend what you are feeling as persons try to console you. However there will come a time when memories are enough,when the tears are replace with with the thoughts of the reason you loved her and than you will smile.
