My grandmother was a beautiful women inside and out, just look at her. I know there isn't one person walking this earth that can even think of one bad thing to say about her. She was a angel sent from God to make me lucky enough to call her grandmom.

“ *You were more Ghana grandmother to me you were a mother. I know I was blessed to be able to not only be related to you but to live with and have been raised as well. I don't wanna lose you and wish you didn't have to leave us. I'm going to miss you every day till my last breath. My heart is shattered. One thing I do know is your now my guardian angel that was the last thing you said to me the last time I saw you... I love you more then you ever knew.*
