“ Jeanette, Linda, Pete.....I'm here thinking of you and your families and the joy, tears and sorrow everyone has shared. Our parents have entered their new dimension now as we stay here pondering the meaning and significance of it all. Remember the love. It will sustain you. Accept the love. it will keep you standing. Give the love. it will give others strength..... The rest is nothing.

I've shared many happy times with Tante Else over the years. I loved her very much and hated to see her suffer so much. I thank God that she's now in a better place where there is no more pain. You'll be in my heart always, your niece Janett.
