“ He was a good kid, I remember him and the smile he had when talking about and working on motorcycles. It was a gift he had. He will be missed by all who knew him.

“ We are so sorry to hear about Eric. Our condolences go out to his family and friends. Eric worked at Powersports East for about 6 months. We enjoyed his contribution to the service department and to our ebay store. He was super helpful with all the non metric models that passed through our doors. Rest in peace Eric. Warmly, Rebecca and Powersports East

“ Eric, was a great friend, and would take the shirt off his back to help anyone. He did all th motor work and plenty of other stuff to my bike. I worked with him as well at Rommel Harley Davidson. He was friends also with my wife and brother-in-law for years. Although I haven't seen Eric since last summer, we talked and texted on the phone. This all was a great shock to us. and Eric will really be missed by all that knew him. God bless you brother. Rest in peace See you on the other side. Mike and Dena Kreller and family

“ Eric was friends with my brother Timmy Anthony. I remember Eric and Timmy and the rest of the Cranston Heights boys running around the neighborhood. I hadn't seen Eric in years until last summer. He and his daughter spent time at Timmy's swimming in the pool and he and Tim worked on a few projects together. It sure was good to see Eric after all those years. I know from our talk he loved his daughter very much. I'm so sorry for your loss. He was a good guy. Judy Anthony Hayslip

“ Eric you were my 1st friend when my family moved to Cranston Heights when I was 6 years old. I will always remember the great times that we had hanging out in the garage and house playing musical instruments and riding your Dads motorcycles when we were growing up. You will always be remembered through our memories of our friendship together. God Bless Your Daughter, Family and Friends in their time of need. God Bless You and Rest In Peace! Take care brother!

Eric I will never forget you. You were an amazing mechanic before you even had a license. Turning a pile of parts into a bike effortlessly. I'll never forget hanging out, high school, Fuzzy's shop and the fun we had. All the miles and time that's passed since we've seen each other our friendship didn't skip a beat. You were a true friend with a great heart. I will miss you. Rest easy brother we will reunite one day.

“ When Eric was a teen, he hung out at our house quite often. Always was such a polite young man. Enjoyed him being around. He even came for Thanksgiving dinner one year. So sorry to hear of his passing. Too Young! Sending prayers.
