“ Merry Christmas Dad, I miss you so much. There is a hole in my heart and it can only be filled by you. I try to fill it with memories but it hurts too much. But I know that one day I will see you again. I know you will be there to greet me when it is my time to go home. Love you dad always.

“ I have really good memories of Tio Felix, he always had something to talk about, always had a story of when he was a kid or when he was younger. It was always very interesting to listen to the stories he had to tell. I miss that the most about him.....
