

## Francis X. Soligo

April 17, 1949 - October 17, 2020

We celebrate the life and spirit of our beloved Francis X. Soligo. Fran was a spirit undiminished. He had a fun loving and carefree approach to life. He loved golf, sports, travel and family dinners. He was dearly loved and cherished by his family. He was always there when needed, with a word of wisdom, a hand to hold, a hug and an open heart full of love.

He is survived by this wife, Peg; his son, Anthony (Heather); daughter, Nicole (Ron); stepson, Ted (Tara); brothers, Tony (Diane), Christopher (Lori), Patrick; and sisters, Theresa and Elizabeth.

Poppy loved all 9 of his grandchildren; Anthony, Mathew, Ryan, Maddy, Julia, Connor, Dane, Cole and Ava deeply and talked to them often.

His spirit will always be with us. Rest in Peace.

“ Peg and Families, Bob & I are so sorry to read of Fran's passing. I wish we had met Fran in his earlier years, before his illnesses. He sounds like the perfect match for you and your giant personality, how complimentary to such a special couple.

It's so hard to let go but, knowing our faith in God's Mercy and Heaven providing the perfect home to rest. I hope your memories and friendships help heal your hearts during these difficult days.

Sending you love as you heal,

Bob & Gail Abner-Baldwin

“ So much laughter& friendship spanning 37 years!  
He had a way of telling a very colorful story which you would remember weeks & years later! He enjoyed making people laugh as well as always welcoming anyone at anytime to his home. God bless Fran...we will miss your laughter & love for all. ❤️❤️❤️🙏🙏

“ Peggy we love you and are so sorry for the loss of your life partner Fran. Always a fun person and up for a good time. I remember Go Dog Go as a fun night to say the least. I'll let you share if you're asked, I also mention the time Gene filled my cryopac with margaritas so Fran could recover from surgery in comfort ?? Our good times will be a blessing to me and I pray for this country to get well... so we can once again share each other's company. Loves.

“ I first met Fran and Peggy almost 25 years ago when I was new to Delaware after joining MBNA from the Washington, DC area. He and Peggy befriended and introduced Lisa and me to many of their friends who then became our good friends too!

Indeed, Franny had a heart of gold, enjoyed telling stories, sharing a round of golf, dining out and loved nothing more than spending time with family and friends.

Although we had moved to the Bethany Beach area for retirement in mid-2019, we were blessed to see Fran and Peg regularly over the last several months as his health declined. He was hopeful to the end and left us way too early.

We love you Fran and will forever miss you! Enjoy the view from Heaven with your parents, Lou, Charley, Linda and your many other family and friends preceding you!

REST IN PEACE DEAR FRIEND!

Since your passing so many people have said wonderful and awesome things about you. DADDY you are so loved, and i miss you more than ever. Your grandson had a 60yard touchdown reception last week and two interceptions. “ My name is Gina Soligo-Loschiavo and Fran was my brother. I have so many memories of Frans kindness, goodness and love. Here he is giving me away on my wedding day. He was a lot like our dad which is the greatest compliment I can bestow. I am so grateful to be his sister and that he is resting in peace ❤️
