Tribute Wall

“ To my second family growing up. I'm truely sadden to hear of Garys passing. As a teenager growing up and hanging out with Gary I always remember how giving Gary was. He would give you the shirt off his back or his last dollar if you asked him for it. Though it's been years since seeing Gary somtimes it feels like yesterday. Hunting Fishing Gary and Duke(his lab). Rememeber nothing can take away memories and that can help us cope with our loss. May God Take Care my Friend.##imported-begin##John Hopkins##imported-end##
