

George Wesley Gibson

July 26, 1939 - April 1, 2023

George W. Gibson of Chesapeake City, MD, passed away on April 1, 2023. The son of Warren and Etta Gibson, George was born in Rising Sun, MD on July 26, 1939. A graduate of Brown Vocational High School in Wilmington, DE, George was an extraordinarily gifted carpenter/craftsman. He worked many years at DuPont's Stein-Haskell Labs and served in the Delaware Air National Guard. George was an amazing role model who lived his life to help others. He tackled every task with the mantra, "if it's worth doing, it's worth doing right." Taking his friends crabbing and fishing were favorite pastimes. With his dry wit and his ability to always put others first, George leaves behind a very long list of adoring friends and family and will be greatly missed.

Services and burial will be private. In lieu of flowers, donations can be made to the Chesapeake City VFW Post 7687, P.O. Box 100, Chesapeake City, MD 21915. To send an online condolence please visit www.stranofeeley.com.

“ *What a wonderful, sweet and caring man George was. Always out to help someone else. Always had a kind word and eager to do for others. I only knew George for a few short years and COVID took a couple of those away. I always enjoyed our talks and miss them now. God called home a compassionate soul the day he took George home!* ”

“ *I am so sorry for your loss. George and I worked together at Stine Haskell. I enjoyed many trips out on the water for crabs. That's when I learned I like crabs just not old bay seasoning. When you went you did come back until the basket was FULL. And of course his potato salad:) He was a wonderful, kind and caring man.* ”
