### Along the Road

How often you fear the road up ahead,  
How often you dread the unknown,  
How often, too, do you tend to forget  
That you never walk alone.

For there's One who well knows where you're going,  
He's sure every step of the way,  
For long, long ago He walked the same path  
That you and I travel today.

And He understands every misgiving,  
For fear is a part of us all,  
But in faith make each step firm and steady,  
And the father will not let you fall.

Just remember He's walking beside you  
With love that will never fail,  
His arm around your shoulders,  
His eye upon the trail.

“ *Afterglow by Helen Lowrie Marshall*

*I'd like the memory of me to be a happy one.  
I'd like to leave an afterglow of smiles when life is done.  
I'd like to leave an echo whispering softly down the ways.  
Of happy times and laughing times and bright and sunny days.  
I'd like the tears of those who grieve, to dry before the sun;  
Of happy memories that I leave when life done.*

*Rest Peacefully, GiGi. You will be missed.*

*With love,  
Tangi*
