“ *I had the pleasure of servicing Glenda for YEARS in her work field. She was so dedicated to her job at United Electric and we always got along so well. She was such a fighter in her battle with cancer, and worked with the same intensity, but in a gentle way. She had a special way about her that will be very hard to replace. Will miss you Glenda.*

*Sincerely, Jeff Seltzer*

“ Dear Kowalski Family, my thoughts & prayers are with you all. Glenda was my most favorite person to deal with in the electrical industry for the past 15-20 years. Always a pleasant a person with a joke to throw in for some laughter. Even when I had to give her not so good information, she would always joke about it. And although Glenda & I never met face to face, I felt like I knew her a lifetime. Most of our interactions were through email but every once in a while one of us would pick up the phone to say "hello". I will miss her terribly and I am so happy to have known her. Glenda was & will remain a once in a lifetime person. Glenda, may you finally be at peace and pain free. You will now be your family's guiding light and Angel. Sincerely, Donna Strockbine ~ Thea Enterprises (formerly Wm. B. Bleiman & Sons).
