“ Lisa and Dave, Your Mom will forever be in my heart. We met 3 years ago when my daughter went to heaven, for Gloria called me and told me that she and the ladies at church would prepare a meal after the service. What a huge heart she had for someone she didn't even know! Then just last year, she road with me to Virginia so I wouldn't have to ride by myself. Fun, loving, caring, spirited, happy, and sincere! Prayers for you and your family as I know you will miss her so very much. Love to all - Kim Comeau

Lisa, There are no words to express how much I loved and appreciated your mom. I ask God to comfort you, Dave and the kids as only He can. I spoke to your mom last week just before she was taken to the hospital and am happy that I got to tell her that I loved her. Kim and I will never forget her. I hope this will make you smile -- Dr. Esterly will be waiting for her and oh what a reunion that will be!!!!
