

## Grace I Kee

February 26, 1949 - December 29, 2024

It is with great sadness that the family of Grace Ida Kee announces her peaceful passing on December 29, 2024 with close family members by her side. Grace was very loved. She had many friends, some she even called, family, even though they were not blood related. She was a very giving individual. She would give someone her last penny, if she was able to help someone in need.

Grace was a big animal lover. She rescued, adopted and saved many dogs and cats throughout her life time. She would take in cats and dogs and always found a way that they were taken care of.

Grace is survived by her son, Joseph; daughter, Catherine; sisters, Barbara and Diane, and many grandchildren. Grace was preceded in death by her father, Albert; mother Catherine; and granddaughter Michelle.

In keeping with her wishes, no services will be planned. In lieu of flowers, please make a donation in her name to the Humane Society or SPCA. To leave an online condolence please visit [www.stranofeeley.com](http://www.stranofeeley.com).

“ *I met Grace in 1976. She is my special sister in law. We had many adventures together. I will miss her greatly. The first dog I remember Grace having was a Doberman named Angel. In my heart this was her favorite dog. I hope Angel and Grace are together again.*

“ *I can remember when we all live together on Colby Avenue I can remember everyone sitting at the dining room table playing cards in aunt Edna watching her reading books. Those were the good times the good old days into the family especially aunt Edna. I'm so sorry for your loss I can only imagine what you're going through. I just remember our loved ones are above us watching over us to ensure our safety and what's best for us? It's hard at first, but it does get a little easier each day. I love your family, necessarily your long-lost cousin Sabrina.*

“ *Gracie, it's been a while since I've seen you and my aunt Edna but my mom Nancy is up there and I am guessing she open the doors for you and welcomed you in. You'll be truly missed not only in your family but not in a lot of families nearby. lots of love, sabrina*
