

Harry J. Maucher

August 28, 1943 - April 20, 2022

Harry Julian Maucher spent his 78 years making people smile with his wit, charisma, and genuine kindness. Harry was happiest when spending time with his beloved family. As a child, Harry spent much of his time on the water with his father, Walter, a boat builder, who passed away when Harry was just 16 years old. Harry loved anything with an engine and was in his glory any time he was behind the wheel. He frequently took day trips to Annapolis with the love of his life, Gerry Deverell. When Harry passed away on April 20, 2022, he joined Gerry, who predeceased him by just a few months. Above all else, Harry adored and lived for his family and never hesitated to express his absolute and unwavering love for them. Harry is survived by his two children, Margaret (Molly) DiBianca and Charles R. Maucher (Jamie), and grandsons, Julian and Thaden. A private service will be held on May 5, 2022.

“ *Dear Molly and Charlie,*

Please know that you and your family are in our thoughts and prayers. I have great memories of your Dad and your Grandmother Maucher and our rides to and from Mount Aviat.

Blessings,

Mary Ann Mackie
