“ Howard will always be remembered as a wonderful co-worker at Widener Law School. He was generous with his time, always helpful, and very resourceful. I especially recall Howard's quick wit and dry sense of humor. He was at his best when he was working alongside his buddy George. I miss them both to this day. I send my sincere condolences to Howard's family and friends at this sad time.

“ Our sincere condolences to Howard's family. You are in our thoughts and prayers. We were fortunate to have known Howard & Betty for 20+ yrs. I will miss hearing him say "Howard here" ever time we spoke on the phone. We enjoyed having breakfast at Arnners and spending time in his home. He was always appreciative of the kindness he received. Howard was very giving. He is finally with Betty, the love of his life. We are very thankful for our time with you and Betty.
With love, Pat & Jack Doyle

“ So many special memories so hard to choose...one would be of me and my brothers and sisters spending the night when we were little all wearing Uncle Howard's t-shirts (including George and pepper the dogs). In the morning we would have a pancake eating contest that we all helped make and believe me there would be ingredients over the entire kitchen! Moving to adulthood one of my fondest memories would be Xmas Eve and how happy Aunt Bett and Uncle Howard were that we were all together. Uncle Howard continued the tradition for many years after the loss of our beloved Aunt and he always made it as special as ever! We sure will miss you Uncle Howard but you are home with Aunt Bett now and we will all have those special gatherings again one day!!!
Will miss you so much and love you so much more!!!!

xoxo

“ *One of my many wonderful memories of childhood at Uncle Howard and Aunt Bett's house. They installed a new garage with an automatic opener. We, as kids, didn't know of this contraption. Uncle Howard told us we had to step on the 'special' rock in the drive way in order for the garage door to go up. He help the opener in his hand and for hours kept us occupied!! Genius! This is one of many stories I could tell.*

You were loved Uncle Howard and I hope you realize how much,

Chris
