“ *Carol & Family,*

*Our hearts are heavy, and we share your sorrow at this difficult time. Although words cannot express how deeply sorry we are for your loss, we hope you will find comfort in knowing that we care and are there for you. We hope that in time, you will be able to find comfort from knowing that your mother is no longer in pain or suffering. The loss of a mother is like no other, and nor is the love, but one has to believe that her love for you goes on and endures.*

*All our love,*

“ We hope it will be an added source of comfort to you at this time of grief to know that others care. We feel fortunate to have known Irene and to have had her for our neighbor. We are thinking of each of you and we are here for you if you should ever need us! We hope that you will find ways to celebrate the memory of your mother. We know that she would want you to live everyday to the fullest and to continue the celebration of her contagious love for life. Always remember that. . . Passing time can never fade  
All the special memories made;  
Loved ones never really part  
For they live inside your heart.

*With loving thoughts,  
Helen, Irene, Andrea and Kendal Powell*
