

Isabella "Bella" Barrett

February 8, 2018 - August 4, 2019

Isabella Marie Barrett, age 18 months, of Townsend, DE, went home to be with the Lord surrounded by her parents, brother, grandparents, aunts, and uncle, on Sunday morning, August 4, 2019. She was sent to become an angel along with her great-grandfather. Isabella was born in Nashville, TN on February 8, 2018. She was the most beautiful, loving, and wonderful daughter, granddaughter, and even great-granddaughter. Bella loved everything in pink, unicorns, and anything with sparkling. She loved to play with her brother when she wakes up and before bedtime. Bella was very sweet and funny, always knew how to make everyone laugh with the faces and sounds she would make. She was a mommy's girl during the day, but come nighttime, she only wanted her dad's cuddles for bedtime. Bella absolutely loved going to parks - crawling through the tunnels and going down the slides were her all-time favorite. She couldn't go anywhere without her teddy bear or she would have massive meltdowns. Every morning Bella would have a cranky face but then after she got her hugs from her Mom, Dad, and Brother, she turned into a happy and loving little princess for most of the day. If she missed her nap, she would give an attitude for the whole day then cry at night for cuddles and bed. After Bella became comfortable with someone, she loved to give them big, sloppy kisses all over their face. Every time she went out back and saw her big, pink unicorn float for the pool, she would go crazy and start jumping in excitement in her unicorn bathing suit. When Bella first saw her four-wheeler, she had the biggest smile and when she found the "go" button, she was

crashing into everything in the house. Bella loved to stare out windows, watching everything move and all the bright colors. When she went to the zoo and aquarium, she was ecstatic the whole time, smiling and roaming around all by herself. Bella wanted nothing to do with anyone, just roaming on her own. Isabella was a very strong little princess, she would get knocked down a lot but would always get right back up, like it didn't happen or faze her at all.

Bella is the daughter of Alyssa and Nathan. She has a big brother, Gabriel and she was going to be a big sister to her little baby sister, born in October. She is granddaughter to Melissa and Gary Probst, great-granddaughter to Marilyn and Richard Cleveland. She has a big, tall Uncle Brad. And we can't forget about her pet dog, Chewy.
