“ So sorry for your loss. I have great memories hanging out with Jack (and Melvin) playing football in the East Roc field as a young teenager. Jack was a formidable opponent and I always wanted to be on 'his side' so as to not get the wrath of being tackled by Jack. Nothing but fun memories. My sincerest condolences and I do pray that you all find comfort in the memories Jack leaves you with.

“ *Almost every memory I have includes my husband. That's the hardest part...he brought me so much joy and the most precious gifts in life, our 4 beautiful babies. I am blessed to have had him as my husband, the father to our children and he was my very best friend. He's the one I need to get through this...but that's not possible....I'll love him forever and a day. My baby.💔❤️💕😭🥹*
