“ I met Jacquelyn when I attended the University of Delaware from 1966 -1970. She frosted my hair and I remember how very nice she was to me every time I went. She was a kind person and fun. That memory came back after 40 years, so you know how much she affected me at the time. The world needs more like her. She made my world a nicer place. I am sorry for your loss.

Sincerely,
Kathleen Fox

“ A job well done my dear cousin, now is the time for you to rest and take care of yourself.
Let's see a memory of Aunt Jackie: How about all the times she would go to bed with pretzels and cheese and in the morning we would jump on her bed and find all the pretzel crumbs. Oh yes, don't forget the mules! I will always be there for you and your family, always no matter what. Love you Judi
