“ *Jamie was a great friend! He was always there if u needed a shoulder to cry on, an ear to listen, or a hug. He was an incredible uncle who was always willing to help with the kids (even if they ended up with a little less hair). I had the privilege of spending his 43 birthday with him. I even made a cake and made him blow out the candles. It was the little things in life that made him happy! I miss you Jamie!!!! Til we meet again my friend..... xoxoxo*
