“ Chun there are so many great memories I have with u. My all time favorite was the group mugshot on the side of rt 40 in Elkton after the Jokers bar fiasco. The cop wanted to know y Chuns leather vest was all tangled up while wearing it. Chun told him he was hitting the egg nog a lil too heavy. Lmao. Chun had such an amazing sense of humor and was so much fun to hang out with. So heartbroken that he was taken so soon.

“ Juiceman, my memories were you working with Joe on the trash truck, you used to come home and tell me how much you all made that "Big Money" at Christmas time and how good the customers were to you all, you lived 2 houses down and our children grew up together, you always treated me with respect and I try to make sure your Son is ok, I will continue to watch over him if he needs me he knows I am here, too many memories just keep an eye on us all, watch them grandbabies, with a heavy heart, R.I.P my friend.

“ We got married on Andy and Sharon's front porch. You were my best and last ride. I will love you until I die. One more day would leave me wishing for another. My best friend and my soulmate. My protector! My happiness! I miss you so much already.
