“ I was a cos. student of her from 88 till 89. She is the one that figure out that I was dialectic. She said hand on I know the answers but I failed every test. She believed in me . I will always appreciate what she did for me. She will always have a place in my heart.

“ I graduated from EVT in '92. Mrs. Lindenberg was an awesome teacher, mentor, and softball coach. She was hard at times but could also make you laugh until you cried. Thank you Lindy for your knowledge, discipline, heart and dedication to your students and softball team. May you rest in peace.

“ Mrs. Lindenberg was my cosmetologist teacher for a few years. I graduated in 1995 passing her class. She could be hard on us sometimes but she did it out of love to make sure we new what we were doing. I probably wouldnt have my cosmetology license now if it wasn't Mrs. Lindenburgh. My thoughts and prayers are with you and your family!!

“ I taught next to Jane for years to Eastern Tech. She brightened my day with her funny stories and so caring about her students. My daughter played softball and we often talked about softball for hours. She always had the best holiday decoration for her clinic! She will be greatly missed!

“ I'm so sorry to hear about Miss Lindy. She was my cosmetology teacher at Sollers and was always so happy and filled with joy. We used to always talk about her little monkey hands to her and she always knew when someone dropped their comb! She'd even take little naps during class and would still know when we dropped a comb! She said she always had one eye open haha. Great cosmetology memories with a wonderful teacher. I love you Miss Lindy♥♥ I know you're at peace.

“ *Jewel, Warren and family.*

*I am so so sorry to hear about your Mom's passing. She was a wonderful and spunky lady. I have so many wonderful memories of softball games and spending time at your home on Cornwall Road. I will always especially remember the New Year's Eve I stopped by to visit and we sat around your kitchen table eating steamed shrimp and talking. Your house was always full of energy, laughter and loving chaos - how I cherish those memories!*

*Thank you Jewel and Warren for sharing your Mom and Dad with me and so many other people in our community.*

*Their lives, their spirit and their love for you has left an indelible impression on my heart and help shaped me into the person I am today.*

*May you find loving comfort in the years of memories you made together and may those memories bring you peace in the years ahead.*

*I'll never be able to think of your Mom and not smile. It's impossible. She was so full of life!*

*Much love,*

*Patrik*
