

Jary J. Huspek

October 1, 1959 - October 8, 2018

Mr. Jary Jay Huspek of Newark, Delaware, passed away October 8, 2018, with family by his side. He was 59 years old. Jary battled cancer with a positive and fighting spirit and he appreciated the love and care shown to him by his family and friends, near and far.

Jary was born October 1, 1959, in St. Paul, Minnesota, to the late June (Bracken) and James Huspek. He pursued a career in information technology that took him all over the country. He met and married Donna Strieker, his wife of 32 years, while working in St. Louis, Missouri. Together, they raised a family and loved deeply.

Jary thrived on working hard, but he was happiest spending time with those he loved. Jary was rich in family and friends, lived his life fully and led by example. He was strong, yet sentimental, and certainly had a big heart.

Jary was father to Christine (Paul) of Raleigh, Tracy (Andy) of Virginia, Travis (Ashley) of Illinois, and Sophie of Delaware. He taught them all he knew of good music (especially Queen), sports and cars, being a friend, hard work and love.

Jary had six young grandchildren: Sydney and Avery Grantham, Haley and Jackson Meredith, Kaydence and Koltin Schroeder.

Jary was the youngest of six and he is survived by his siblings: Jim (Connie), Paula (Chuck), JoAnn, Jon (Nancy), Janine (Brian), and many nieces, nephews, and cousins.

Jary loved his family and friends and hated to leave them.

A Celebration of Life in Jary's hometown of St. Paul, Minnesota will be held in Spring 2019. Details to be announced at a later date.
