“ *My dearest Alicia....my thoughts and prayers are with you right now and the rest of the family. Jason was the biggest sweetheart whose smile lit up a whole entire room. I never saw him in a bad mood. He was always there to bring a smile to anyone who was down and needed a hug. I share your pain as I saw him as one of my very own. I loved him like another son and he will be missed very much. Please remember you can lean on my family for comfort and support. Jason you are with the Angels in Heaven but will live forever in our hearts....RIP Jason....we love you*

You were always someone who could make anyone smile when they were down - even those you didn't know very well. I remember in high school during one of my roughest, lowest times... you didn't say a word, just gave me a hug, a smile, and told some joke to make me laugh. You were an amazing person and will be missed by MANY!
