

Jeannine Marie Scope

December 6, 1973 - December 6, 2025

Jeannine Marie Scope, a bright light known for her kindness, unwavering dedication, and adventurous spirit, passed away on her birthday, December 6, 2025, at the age of 52. She was the beloved daughter of Rose Rina Scope and the late John Michael "George" Scope Jr.

Jeannine was a woman of remarkable strength, compassion, and joy, whose warmth and wisdom touched countless lives. She remained the steadfast anchor of her family and a devoted, cherished friend to many.

Jeannine built a distinguished 30-year career as an executive at JPMorgan Chase, where she was respected for her expertise and admired for her generous heart. Her passion for helping others guided her throughout her career, where she led with integrity and inspired those she worked with, and extended naturally into her volunteer service. For more than a decade, she championed the Adopt-A-Family program for the JPMC Delaware offices, coordinating the efforts of more than 12,000 employees in support of local families. Her tireless dedication to this cause earned her the honor of "Volunteer of the Year" from a local community center, reflecting the same commitment and care she brought to everything she did. Through her service, she brought hope and support to countless families each holiday season, embodying her belief in the importance of giving back.

Jeannine found her deepest happiness in the love she shared with others and the moments that made life meaningful. She was the beloved fiancée of Robert John “Bob” Kitchin II, sharing a life full of love, companionship, and adventure. She was a loving and proud mother to her son, John Muscolini III, with whom she shared an unbreakable bond, and her daughter-in-law, Ashlee Nicole Muscolini; a doting "Gigi" to her precious grandchildren, Olivia and Jack; and a caring stepmother to Hope Leslie Kitchin. Among her closest friends—the family she chose—she left a legacy of laughter, love, and treasured memories.

Jeannine lived life to the absolute fullest. She found joy in every adventure, whether feeling the ocean’s rhythm beneath her feet, watching a beautiful sunset unfold, or giving herself over to the thrill of a spontaneous dance. That same forever young and energetic spirit carried her to Metallica concerts near and far, a testament to her love of life and adventure. Her bright, kind smile brightened every room she entered, and its memory will continue to warm the hearts of all who knew her.

Jeannine’s legacy is one of boundless love, unwavering service, and a reminder to fully embrace everything life offers. She will be profoundly missed and forever remembered.

Services will be private. In lieu of flowers, the family suggests donations be made in her memory to www.pancan.org, a charity close to her heart. To send an online condolence, visit www.stranofeeley.com

“ Jeannine will be deeply missed by all those whose lives she touched. Although I'm based in Singapore, Jeannine was part of our team and always so thoughtful and invested in everyone's success. I feel incredibly fortunate to have met her in person for the first time when I was in New York in September - it was inspiring to see the grace and strength she showed as she was going through this fight. It was heartwrenching to hear that she passed. I wish that same strength and grace to her family and friends at this difficult time. Rest in peace Jeannine.

“ I am heart broken by this news about Jeannine. As the Lead of JPM Chase's Adopt-A-Family efforts, she inspired all of us with her unwavering commitment to helping families in need. Her leadership was marked by compassion, clarity of expression, growth of the program's impact and a sunny disposition that made every challenge seem surmountable. She leaves behind a legacy of kindness and generosity that will continue to guide us.

My heartfelt condolences to her fiancé Bob "Mr Santa", family and loved ones. She will be deeply missed, but her spirit will live on in the work we do and the lives we touch.

“ Feeling heartbroken. You have been a mentor for over 20 years. You were always a beautiful soul. I loved that we became friends and talked about the kids. I'll always remember a young John coming into the office not very happy to be leaving San Antonio but said he would return to Texas and he did. U will be missed by many. Rest in Peace, till we meet again.

“ I'm very grateful for the time I got to share with Jeannine. Way back in the Bank of NY days there were times I'd go visit her office just for a pick me up. Her laugh seemed to make everything better on a hard day and she was a shining light that touched so many. I am heartbroken and she will truly be missed. Sending my deepest condolences to her family and friends.

“ *My thoughts and prayers are with Jeannie's family and friends. I was fortunate to be assigned to Jeannine when I started at Chase. She brought a smile to everyone's face when she entered a room. I absolutely loved the years we spent together working, as she was the best mentor. I will always remember how everyone would fight to the table to taste one of her delicious sweets - especially her cookies! May she rest in eternal peace and power.*

“ To Jeannine's family and friends. Please know that my thoughts and prayers are with you during this difficult time.

I had the privilege of reporting to Jeannine many years ago, and while I'm sure I tested her patience at times, she never showed it. She always greeted me with a smile, offered unwavering support, and was willing to lend a helping hand.

I'll never forget the day she helped me out of a difficult situation at work. At that time, I no longer reported to her, yet when I came to her in desperation, she didn't hesitate. She stayed with me from start to finish—and even followed up afterward. In that moment, I learned one of the most important lessons of my career, a story I will never hesitate to share.

I can never be the leader or person she was, but I strive every day to live up to the example she set. That is the light she gave me, and I have carried it for years—and will continue to carry it for years to come.

Her presence will be deeply missed, but the legacy of her kindness and leadership will live on in all who knew her.

Rest in heavenly peace, J9.
