“ We always caught up 2-3 times every year over the years....for almost 20 now. I always enjoyed our great escapes to throw shade at the trials and tribulations of our lives....I watched you grow and struggle and fight your demons constantly battling to show your immense love for your children.

You were a special person and one of my favorite on this planet - I had to say goodbye to you today for now and as much as that hurts - I am hoping you are at peace and I must find peace in knowing you are no longer struggling and hurting through this fight of life on this damn rock.

You will be forever remembered and missed JLE - Until we meet again...

“ Jessica was such a beautiful person inside and out. It still does not feel real, we grew up together she was exactly one week older than me I can't believe she's gone. First we lost Brian now Jess, I don't think I can take much more. You will be missed sweet girl. Until we meet again P.S Please give Brian a hug for me xoxo

“ To My Sweet Girl,
You had the sweetest and most caring heart
of anyone I know...Through all of family hard
times and all, I want you to know how much
you were "always", truly loved....You were my
"kitten", My J Lynn, My Heart and My Soul..I know where you are
and that you are with God...Grab Brian and ban together, like you
did here, at home..I hope you see now, how God could have
soothed your soul here and taken care of you...I Miss you soooo
much and will love you always...MY Sweet, Sweet, Baby Girl..I Love
you so much, Mom
