“ Richard and I have known John for a short period of time. In that time, we met a man who was kind, jovial, and very considerate of others. I met John when we started playing aquatics volley ball. He and I always managed to be on the same team and he liked kidding with me and also hitting me in the head with the volley ball. We had so many laughs! We will miss John but he will always be in our memories. God Bless!

*Jan and I are sorry to hear the news of John's passing. We remember the good times camping with John and Eileen. Our little camping club would meet once a month at campgrounds in the area for weekends but John and Eileen would be out and about a lot more often. Pete and Jan Crisman*
