

John Michael Foreman

September 26, 1948 - December 11, 2010

John Michael Foreman

Age 62, of Middletown, DE, formerly of Perryman, MD passed away with his wife at his side on Saturday, December 11, 2010.

Mike was a beloved husband, father, brother, son, grandfather and friend. He enjoyed the outdoors and everything that involved; boating, fishing and crabbing. He could always be found tinkering or creating a new invention in his garage. He served proudly in the U.S. Marine Corps in Vietnam and was awarded two Purple Hearts and Cross of Gallantry with Palm.

Mike enjoyed the simple things in life, a cookout, family and friends gathering for laughter, stories and lies. Time well spent to create the lifetime of memories we all hold close in our hearts. He also enjoyed his time alone to be innovative.

Mike is survived by his wife, Barbara; son, Jake Foreman; daughter, Gina Foreman Louk and husband Glenn; brother, Albert Lee Foreman and wife Becky; sisters: Lillian Burke, Mary Ann Bush and husband Joe, and Shirley Ward and Gary Floyd; grandchildren: Corey Allen, Courtney Paige, and Cody John-Michael Louk; and mother, Lillian Foreman. He was preceded in death by his father, Albert C. Foreman; and brother, William J. Foreman.

“ Michael - I miss you so much. My heart is broken, memories keep popping into my head. Images, words, smells, sounds ... you are a part of everything in my life, even the time I awake up (you taught me well that the wee hours of the morning are the best of the day) I don't know how I'm suppose to survive this. I know you are okay, it's me that is a mess. I know with the help of the Lord I'll get through this, I know this but not today. I love you today as I have all these years - Barb

“ My brother - not John - not John Michael - not Michael - but "Feller". This nickname is from "aint he a cute little feller?" It stuck! Mike was one of a kind, to say the least. He always did what had to do without grumbling, he was fun, and totally unexpected. We will each miss him in many ways on many days. In His Love, Mary

“ Jamie Tedesco: Mike was my first supervisor when I started with Dupont (eagle run site) back in 1981. I was a young kid then right out of the marines. I had a hard time with the transition from military work to civilian work but Mike took me under his wing and helped me along. Mike really cared about the people who worked under him a very rare quality found in people today. I became friends with Mike and his family and shared a lot of fun times together (hanging out over Steve and Cheryl's house, fishing and crabbing and just being friends). Mike you will be truly missed.
