“ Dear Lisa and family. I am so sorry for your loss. your father was a good man. I enjoyed our long conversations we had at the warehouse. He always had an interesting perspective on so many topics. One thing was for sure. His conversations would always eventually come back to you. He loved you very much and that was always obvious in his words and actions. I'm sure he will be sadly missed.. Please find comfort that he is in good hands now and with your mom. God bless you and your family.

“ Uncle Hilly, I am so sorry I can't be there to say goodbye. You gave us a lot of great memories and I will never forget you. I think about the early Sunday morning visits, and you and Vince teasing each other. There was always a lot of laughs when you were here. May you Rest In Peace! Love Patty
