“ Johnny was my older cousin. So many memories of when we were kids, you were and Richard were so bright! am so sorry to hear of his passing. I wish our families had kept in touch. I don't really know why were all so separate.... Rest in Peace, Johnny, you are safe and well now with your wife, Kathy, my Aunt Millie and Uncle John, and your brother Richard. Sleep Sweet. My sincere sympathies to all of your children and loved ones.
