“ To Rose, Jackie and family. Mom and I would like to send our sincerest condolences on the passing of Jack. You are all in our prayers. The one main thing is that he doesn't have to suffer anymore the way he did. We know from personal experience how hard it is at first, it does get easier in time. You'll always have the good times to remember and they will bring a smile. See you all around town. Phyllis Blanchfield and Tammy Thompson.
