“ I just unfortunately found out about Jay`s passing. We were in Dickinson in many of the same classes. I remember him as kind, with a quirky sense of humor and a dark strand of hair that would fall across his forehead at times when he walked down the hall to class. I mourn the loss of such a wonderful classmate.

“ To the family of Jay Sentman.  
Please accept my sincere condolences on the sudden passing of John. I had the distinct privilege of working with Jay on some of the projects he worked on for Siemens.  
He was a wonderful, colorful, enthusiastic and funny person to work with. He was so considerate and easy going and was always in such a good mood. I thank God for the time I got to work with him and his memory will linger on for a long time. Once again, so sorry for your loss. He will be sorely missed.

Sincerely,

Stephen Davis
