“ *John or John-John as he was commonly called was my nephew. He could light up a room when he walked into it. He loved to talk and had the gift of gab which made him a great salesman. We spent many weekends together since he was a baby. As he grew older, he would work with Uncle Greg on projects which often included friends of John's whom John recruited to help. Thus we got to know a lot of John's friends. After Uncle Greg passed away, John often escorted me to family gatherings or functions. He was so thrilled to stand in Uncle Greg's shoes and we would have a great time. I am going to miss his smile and his laugh, but most of all his love. Rest in peace, John. I am sure you are with Mom, Grams and Uncle Greg! Love you forever, Chief*
