

## Jonathon Daniel Gobble

July 5, 2019

Jonathon Daniel Gobble, age 26, of Newark, DE, passed away unexpectedly Friday, July 5, 2019. He was a loving son, brother, and grandson. Jonathon proudly served in the Army National Guard and enjoyed times with his friends at several Middletown farms as well as target shooting at the ranges.

Jonathon loved working at Amtrak and was always willing to talk about the trains, firearms, and his F250 Ruby Red Diesel. He was the local chairman for the Union and the Brotherhood of Maintenance and Way (BMWED). His friends and union brothers told of how great a person he was and how much he impacted their lives for the better. Jonathon cherished his family and friends – always calling to say hello and help out. He enjoyed attending Antioch Baptist Church with his mom mom, Dottie. Jonathon will be remembered as a great son, loyal brother, and faithful friend whose passion, distinctive laugh, sense of humor, love, and smile will be missed every day.

Jonathon is survived by his parents, Kenneth and Lynn Gobble; brother, Nicholas Gobble (Kimberly); grandparents, Dottie Bowman and Hope Jones (Donnie); aunts and uncles: Tammy, Joseph (Lisa), Kevin (Robin), Walter (Shelly), and Jenna (Jerry); nephew, Luke Aaron Gobble; and numerous cousins. He was preceded in death by his grandfathers, Aaron Glenn Bowman and Harold Gobble.

“ *Jon was a wonderful young man and I am glad to have gotten to know him. Last year, we worked on legislation that he brought to my attention to protect his union brothers and sisters that work on the railways. He was so excited to be an integral part of bringing a new law to fruition. He was kind, warm, and a very special young man. I will miss him.*

“ I was talking to Jon a couple days before his passing and he mentioned how good things were going. He had a great attitude. Proud American, great union guy, loved his family, loved his friends, and the guys he worked with. The Teamsters organize shall miss his energy and I shall miss our conversations. If you were ever having a bad day, you could count on him to snap you out of it. May your family find peace. Paul Thornburg Teamsters Local 326

“ Ken Gobble just stopped by my home to tell me his dear son, Jonathan, had passed away recently. I had first met this young man as a little boy when he visited our home with his Dad years ago. (Ken - you always came to my rescue whether for Jim or my computer or my garage door!!). Jonathan loved Jim's baseball card collection and I always remember he didn't want to leave and asked if he "could spend the night". My heart aches for you folks - and I will keep you in my prayers - I promise. Lynn and Ken - if there is anything I could do for you, please don't hesitate to let me know. My love & prayers to Nick & family as well. I love you folks - Connie Rogers

“ Kenny, Lynn, Nick and all who loved Jonathon, I am so deeply saddened by the loss of such an amazing guy. He was always smiling and saying something mischievous to make you smile. He was very much a family guy and quick to hug and say I love you. My prayer in days, weeks, months and years to come is that Jon's light and God's arms will bring comfort and strength to our family, especially my dear cousins, Kenny and Lynn. Patrick and I will honor Jon by making a donation to Wounded Warriors in Jon's memory. He was truly one of a kind and I will miss his bear hugs at our family gatherings. I love you all.

“ When I would go up and stay with Jon and Nick when they were little, Jon would get out all of his G I Joes, bring to the bottom of the steps in the family room and play with them . Jon was always laughing and teasing. At one time when he was older, we went to a Chinese restaurant for dinner and just had a great time. He was such great grandson, always doing something to make you laugh. I will miss you Jon. rest in peace Grandson. Love you so much.

“ I didn't know Jonathon well, but was so impressed with his love for his Mom-Mom, Dottie. He was always there when she needed help with something and never arrived without giving her a hug and kiss. When he would leave he would give her another hug and tell her he loved her. I am so sorry for this great loss to his family and pray that the wonderful memories you have will become more precious each day.

“ I remember Jon and Nick as little boys running around on Hopewell Road. Though I had less opportunity to interact with Jon as an adult, I know he gained the values always displayed by Lynn and Ken. I will always cherish those memories. Paul Reed

“ *Jonathan was not only the son of a great friend, but he also became a friend. Life is crazy like that, as you grow older, the kids you love become peers as you grow older. Jonathan kept me laughing growing up, the stories I heard from his dad Ken, as well as the time I had spent with him. Jonathan you will be sorely missed. Godspeed bud, until we meet again.*

“ I only knew John for a few years. However in that short time span he made a huge impression. He was over the house several times for bonfires and just to hang out and shoot the guns with me. Always full of healthy conversation and laughs. That bellowing laugh will stay with me forever. I'll miss you buddy... we all will. Rest easy my man. See you on the other side.
