“ I grew up with Joe and the family in Union Park Gardens. Many fond  
memories of running down the street to see the drag racer on its  
trailer. I was fascinated by that car. Joe was always willing to  
explain things to this little girl from down the street. Thanks for the  
memories Joe. Rest easy my friend.

“ Joe, your loss has shattered our world. It’s hard to imagine what moving forward looks like, but know we will carry you in all our days. I hope you felt how much we love you and how special it’s been to John, my family, and I to race together as a team for the last several years. Thank you for every opportunity. (Find a way to keep reminding John not to pick on me, will ya?)

We love you, JC. ❤️🙏
