“ *Just a moment to share in my memories of Joe, a great guy to know with a heart of gold. Joe and Jean would invite me along for a picnic and fishing day, It was always the best time. Joe taught me how to set my fishing pole up right down to putting the bait and casting the rod. I will always remember Joe's love for fishing!! He had an infectious smile and always laughing! Loved his wife and family deeply to the point of giving his all!! He will be greatly missed and always remembered by my family. We love you Joe! Barbara Branum and family*
