“ I didn't know Joey well, but what I knew, I liked! He made me smile a lot, and my memory of him is a cute, funny one, to me. We had been chatting at an acquaintance's apartment, and before parting, he gave me a fist bump and said" Til later"!!!! With that "cat ate the bird" smile!! He'd give his shirt off his back, and in a way, did for me. Joey had a heart of gold. R.I.P., Joey

“ Joe Taddeo was one of the coolest friends I ever had. He had one of those personalities that everyone loved. A laugh and smile that just made you want to join him. When it came to loyalty, Joe had my back like very few ever did. Over the years he never let our friendship die. He was an awesome friend for over 20 years. I'll never forget him.
