“ I hope that while you are resting in heaven, with no pain, no worries, no tears, with nothing but joy and happiness, You know how much that you were loved and appreciated. I'm sure that you were there when we cried over you, all of us wishing you were still here! We cant help but to be selfish, But knowing the wonderful, loving caring person you are, I can see why God wanted you back with him. I, personally, want to tell you that you were apart of our family. I hope that you felt that, I hope that you felt the love we felt for you, that we treated you as one of our own and that you never felt any differemt then that. Maybe thats why it hurts so much, because in some way a piece of us is no longer here! But know, that in our hearts you will always be! I hope that we made you laugh so hard you cried, that we took so many pictures that you wanted us to leave you alone, most importantly that we made memories that will last you forever. There will always be certain things that will remind us of you and at that time we will remember the Great mother, friend, wife grandmother, and overall person that you were, and continue to be. I hope that you are resting in Peace!###imported-begin##Loly##imported-end##

“ Lora le doy gracias a dios que yo tube la oportunidad de verte conocido, de tenerte como suegra. Se que estas en un lugar donde no vas a sufrir mas. Siempre viviras en mi corazon, te quiero mucho.

Juan y Victor siento mucho tu dolor. Aun que ella no fue mi mama la quiero mucho. Se que es duro aceptar que ella ya no esta pero esta mejor que nosotros. Ella se sintio muy orgullosa de ustedes. Siempre decia que dios la bendicio con unos hijos ejemplar que ello no podia pedir mas. Ella siempre horaba para que ustedes fueran mas unidos, que se quieran como hermanos y mas que amigo. Unesen para que las horaciones de su mama sean cumplida. Ella lo amaba a los dos igual. Y se fue sabiendo que ustedes tambien la quicieron.

Que dios le de fuerza y paz.

Su Esposa y Cuñada
