“ I was at Boothwyn tonight, after a long absence, and found out my friend Juanita had passed. Now I know why I could never reach her over the last 1.5 years when I tried calling. Her laughter was infectious and her smile contagious. Heaven has another angel my friend!

“ My family and I are so saddened to learn of “Skeeters” passing. Over the past two years we shared coffee conversation and love ❤️ for her every Sunday after church. We became “family” exchanging birthday and Christmas gifts hugs and tears -we “Loved” her and we knew her love. Once the virus started we didn’t see each other only one a quick run to DunkinDonuts. She would say “hello Pat tell the family I love them and my response was I will and we love you too” To her family we are heartbroken and we pray your strength as you mourn Skeeter. Prayerfully Mimi Pat Stephanie Mike Dee Adrienne Erin Paige and Kori.

Skeeter was a very dear friend of mine and my family for 60 years or more we have been through multiple ups and downs and our life together and shared many friends who's she will be joining now and I know they all will be glad to see her for we all were very close in our lives I surely will miss walking in Boothwyn and not see her she sure was a part of that atmosphere and made everyone smile she loves with all her heart her and my mother used to always say you're going to miss me when I'm gone and I used to have to hear that for many years so I would joke with her and my mother.
