“*Kathy and Steve were our real estate agents about 19 years ago. They not only helped us through a complicated process but became friends as well. I remember fun parties with great food at their house. The two of them are together again in a much better place.*

“*Please accept my condolence. My heart goes out to you in your time of sorrow. I find comforting Job 14:14,15, which says, “If an able-bodied man dies can he live again? You will call, and I myself shall answer you. For the work of your hands you will have a yearning.”*”

“*Kathy or Mrs. Vibber was a great woman who loved her children so much. I had the pleasure of meeting her when I was about 6 years old. I became friends with her twin girls. The earliest memory I have of Kathy is being at her house in Middletown. I still remember painting crafts with her at that house. In addition, she was helping me find a buyer for our place quickly. She got right on it. Thank you Kathy for being you. RIP. Say hi to my mom for me!*”
