“ Dear Family and friends of Kathleen,

*I'm so sorry to learn of Kathleen's passing. She was a lovely, talented person and I enjoyed knowing her. She was also a good neighbor and really beautified her yard with great landscaping and flowers which is still blessing us all.*

*May you all feel God's Love, comfort, and peace in eternal life. Unfortunately, I will be unable to attend the service.*

*Love, Sandy Rice (next door neighbor)*

“ *I have known Kathleen for just a few years, but she made a lasting impression. One of my favorite memories was at a gathering of the "Slipped Stitches" a crocheting/knitting/quilting group. The afghan I was making was yellow and white. Kathleen told me the colors were boring, so I made an additional 24 squares in 3 other colors and the final product was MUCH BETTER. She really had an eye for color and design, shown in the amazing quilts she made. Kathleen, you will be missed.*

*Your friend,  
Laura*

“ We are so sorry for your loss. When Kathy would come up to visit us in PA, she and i would visit wineries and shoot the breeze about any and everything. We hadn't spoken recently, but I thought about her often. May she rest in peace.
