“ Where to start? I never remember NOT knowing Kevin. We grew up next door to each other, and him being a little older was lways there, once I was able to reckon. Him, and all the Barkers are like siblings to me, and Kevin being the closest in age made us even closer. Way too many memories to evven comprehend the vast number. I guess even though it's been a few weeks, it still hasn't been comprehended in my soul. Old friend get the guitars, and amps tuned up, and jam with your Pop, and save a place for the rest of us, when it's our time.
