

Kory Daniel LePore

April 8, 1989 - August 23, 2019

Kory Daniel LePore, of Newark, DE, passed away unexpectedly on Friday, August 23, 2019. He was born in Crozer Hospital of PA on April 8, 1989, son of Kevin and Denise LePore.

Kory attended Newark High School with many of his childhood friends. From the beginning, he loved being in and around nature. Swimming in the creek and finding crawfish, fishing, hunting, growing vegetables, and even just walking through the woods to enjoy the view would all end up being things he enjoyed during his time on Earth. A talent and hobby that Kory picked up rather easily was cooking. Working the grill, manning the stove, and tending to the oven brought joy not only to Kory, but to everyone else around him as well. Spending time with his family and friends was most important to him. Whether it be a BBQ, celebrating a birthday, or just sitting around conversing, Kory never missed an opportunity to be around the ones he loved.

Everyone would agree that Kory was one of the most genuine people the world had to offer. He could always inspire laughter with a quick-witted joke or a goofy impression. He constantly had a contagious smile on his face that brought joy to everyone around him. All this being said, he was just as great at listening and being there to support anyone in need. He was always willing to lend a helping hand at any moment. Everyone couldn't help but love Kory. He was an amazing son, brother, grandson, nephew, uncle, and friend that will be

truly missed by all.

Kory is survived by his parents; siblings, Danielle Dallas (Michael), Kyle LePore (Dayna), and Kolby LePore; grandparents, Robert and Rita LePore; nieces, Liliana and Isabella; nephews, Nicholas, Brue, and Dane; aunt and uncles, Tina and James Swank, and Brian LePore; great aunt and uncle, Eileen and James Burke; many cousins, and numerous friends, all of whom loved him so much. He will now be reunited in Heaven with his maternal grandparents, Dorothy Kennedy and David Cornog; great grandmothers, "Greatie" and "Great Nonnie"; and cousin, Christopher LePore.

A private viewing will be held for immediate family in memoriam of Kory. Kory's family would like to extend a sincere thank you to all those who have shown support through prayers, love, and friendship during this difficult time. To send an online condolence visit www.stranofeeley.com

“ I know Kory knew how much I love to write and he would expect me to write of him. I have been at a loss for words for all of his family and friends. Please know we always thought of him as our own child from helping him with homework long ago, to him coming to our wedding reception and him watching us become parents. He was loved by all of us our kids thought of him as a big brother, the animals here adored him and we could never repay him for all of the help he gave to our home during Steve's amputation earlier this year. We have so many wonderful and fond memories of him and for that I will forever be thankful. I wish all of his family and friends peace and to never forget his constant singing, laughter and those dimples. He always thought of others and went out of his way to always help. He will always be loved and missed beyond what I could put into words.... All our love to you and Im so grateful my kids had such a wonderful relationship with him. He will always be in our hearts every day. Xox - Steve, Cheryl, Mason, Jordan and the animal Zoo
