“ To my beautiful son,

I have not been able to post a word about you, until today. I think of you every single day, all day. You and your sister have been a blessing from God. What masterpieces he gave me. I am so lucky to have had you both. It seems as you have been gone for so long, so much longer than 2years. I know you are in heaven with Titi and your pop-Pultrivich. My heart will never be the same my beautiful sweet son. Your sister misses you too so much. I will see you again in heaven. Thank you God for giving him to me.

I love you every second of my life!

God Bless you, Nanu's

“ *This is just unbelievable Kyle, we had a lot of laughs, tears, arguments and long pointless drives. Never in my life did I think you'd be gone so soon. I'll never forget you and your annoying phone calls just to say "what you doing, I'm bored...call me back if you find something to do" lol always more than a friend, definitely family. The boys and I will miss you. May god bless your family especially shy through this hard time. Love you always, ang, steven, and saul.*
