“Gone way to soon! Will miss your smile and sense of humor! I remember the times I came to the house in Elkton. You were always doing something new to the house. Glad I was able to spend time with you at Delaware Park with Mom & Aunt Ginny! They were fun times. I drive by your house everyday on my bus route and I see your smile. Go play some music in heaven with Mom! Rest Easy Uncle Larry! Sending prayers to the family for Peace and Strength!

“ I spent many Friday’s at Uncle Larry’s house in Dover, singing and playing piano, while he played guitar, Uncle Joey played guitar and drums, my Mom (Ginny)sang and Buddy and the rest of the guys would come along from time to time and join in. I never knew I would sing in front of people...until I started doing it at that house. Uncle Larry would find a country song, change it to a suitable key for my voice, and then we would practice. I still remember him saying, “I’ve got hear you on this PA system.” Making and playing music together with your family is a cherished memory that I was fortunate to have with Uncle Larry. I will keep this in mind whenever I have the opportunity to get together with family and friends, playing the old country music he loved. Gone too soon, and I will miss him. I send my condolences, and I wish all my cousins peace at this time. Kimberly (Trescott) George

My dad has told me about those times with you and your mom. He loves it and loved you. Thank you for being a part of one of his most favorite things to do.

I remember how he liked to play music and sing. I haven't seen him in a long time but never forgot him. We all came from a big family, but never forgotten any of them. Rest in peace my cousin.
