“ One of the best things we ever did together was to take that trip down south to Mississippi to meet your cousins and to meet the cousins from Philadelphia while working on the family tree. Aside from these last couple of months, those will remain some of my dearest memories of spending time with you, Dad. I will also never forget how sweet and supportive you were to all of us when Mom passed away 11 years ago. Now your both gone...I thought I was ready to let you go...I wasn't as prepared as I had thought. I miss you fiercely already. Godspeed. I love you!
