“ *Butch, Heather, Donna, and Family: Although I am not a blood relative, I feel like family. Leta and I were sister-friends and we definitely had kindred spirits. I shall never forget her love for me and others, and her willingness to extend hospitality to her neighbors. Leta never allowed her inabilities to keep her from cooking, cleaning or anything else for her family. She was a great asset to our Bible study group and seriously committed to the LORD. May the LORD sustain you in your great loss. As you mourn her passing, may the LORD move you to continue her spiritual legacy as you live each day. I am deeply saddened by her passing and I extend my condolences to each of you. God be with you and comfort you as only he can.*

I am deeply saddened by her passing, we were friends on facebook after I left Dupont hospital for children. We shared many photos of animals. May time ease your sorrow and may beautiful memories bring you comfort and peace. She was a beautiful soul.
